1. It's all in Me, it's all IN ME, it's all IN Me, Ted. Everything that everyone wants is IN Me. It's inside Me, it's a part of Me. I am the source. I am the life. I am the way. I am truth. I am God, I am creator, designer, God, king most high, I am I Am and everything man seeks is in Me. I am life. I am health. I am joy, abundance and laughter and peace and gentleness and meekness and abundance. I am growth. I am advancement. I am change- with a smile.
2. And yes, there is suffering in growth and I in Me, and as I learn things by the things that I suffered (1), I suffer and you learned and everyone learns; notwithstanding the learning process, but understanding it and giving it to Me.
3. Coming unto Me, coming INTO Me for learning is what I am doing with you. Coming IN to Me. IN to Me. IN to Me. I N T O M E. Do you hear Me? Do you understand Me? Can you see these words? Can you hear My voice? Can you hear My passion, My plea? Come IN to Me. I am king, I am master, I am God and all you seek is inside Me. In Me is all manner of truth, the only truth, the absolute truth, moral truth with no variable-ness or shadow of turning.
4. There is no relativism in Me. I am I Am, and I am all truth and all truth and everything you seek, you seekers, are in Me. You seek, so many, so many of you seek so many things to replace Me and intellectualize Me and forfeit My beauty.
5. I am Me. Come IN to Me for what you seek and so much more. Come in to Me, come in to Me, please. Come in to Me for everything you want. I am and I await you.

1. Heb 5:7 During the days of Jesus' life on earth, he offered up prayers and petitions with loud cries and tears to the one who could save him from death, and he was heard because of his reverent submission. Heb 5:8 Although he was a son, he learned obedience from what he suffered.
